## BOOK SYNOPSIS

In 1918 Ernest Hemingway went to war, to the war to end all wars. He volunteered for ambulance service in Italy, was wounded, and twice decorated. Out of his experiences came *A Farewell to Arms*. Hemingway's description of war is unforgettable. He recreates the fear, the comradeship, the courage of his young American volunteer, and the men and women he meets in Italy with total conviction. But *A Farewell to Arms* is not only a novel of war. In it, Hemingway has also created a love story of immense drama and uncompromising passion.
