BOOK SYNOPSIS

Pick a Weekend, Pick a City, and Go! This book picks up where crowdsourcing leaves off, covering the flashpacker skills you need for spur-of-the-moment trips to Europe's top destinations. Follow three-day plans to explore each city. Learn which cities match your interests and which can be easily combined for a longer trip, including itineraries for Amsterdam, Barcelona, Berlin, Budapest, Dublin, Edinburgh, Florence, London, Madrid, Paris, Prague, Rome, and Venice. See iconic sights. Check the Eiffel Tower, the London Eye, and the Colosseum off your bucket list—and use Andy's tips to save time and skip lines. Hit the local hot spots. Chill at Amsterdam's coffee shops, study mixology at London's speakeasies, and bust moves at Barcelona's beach clubs. Enjoy the best—and cheapest—local cuisine. Graze at crêperies in Paris, pubs in Dublin, and aperitivo in Rome. Become a temporary local. Adapt to the culture to enjoy authentic, unforgettable experiences. Master digital travel. Discover how tools like AirBnB and Uber can help you make the most of your money in Europe. Connect with other travelers. Head to the most popular hostels for a ready-made, real-life social network. Whether you're looking to study abroad or just explore Europe without breaking the bank, Andy Steves Europe is the guide for you.
