BOOK SYNOPSIS

A pioneer in publishing authentic cookbooks from around the world, Periplus Editions is proud to introduce the first three titles in its newest series: The Essential Asian Kitchen. Each title includes a comprehensive introduction to the country's cuisine, utensils, and ingredients, as well as step-by-step food preparation and cooking techniques. Featuring carefully selected recipes, authentic ingredients, and beautiful photography, The Essential Asian Kitchen is perfect for chefs of all levels. Korean cooking is one of the healthiest in the world. Now, with Korean Home Cooking, discover how easy it is to create the delights of Korean cuisine at home. A variety of spicy and warming dishes graces the pages of this delicious new cookbook, including traditional favorites like classical Korean mung bean pancakes, traditional rice with Korean vegetables (Bibimbup), and cucumber kimchi with fillings, as well as modern dishes such as pan-fried fish with chili sauce and barbecued beef with vegetable skewers. All the recipes in this beautiful cookbook are accompanied by step-by-step instructions and gorgeous full-color photography. The perfect guide for cooks of all levels and ability, Korean Home Cooking has everything readers need to bring the celebrated meals of this unique Asian country into their own homes.
