BOOK SYNOPSIS

This one-of-a-kind, comprehensive history of moral education in American schools provides an invaluable historical context for contemporary debates. McClellan traces American traditions of moral education from the colonial era to the present, illuminating both debates about the subject and actual practices in public and private schools, colleges, and universities. He pays particular attention to changing fashions in pedagogy, to church-state conflicts, to the long decline of character training in the schools, and to recent efforts to restore moral education to its once-honored place. The book concludes with a thorough examination of recent theorists, including Lawrence Kohlberg, William J. Bennett, Carol Gilligan, and Nel Noddings, and an appraisal of current practice in American schools.

MORAL EDUCATION IN AMERICA SCHOOLS AND THE SHAPING OF CHARACTER SINCE COLONIAL TIMES REFLECTIVE HISTORY SERIES - Are you looking for Ebook Moral Education In America Schools And The Shaping Of Character Since Colonial Times Reflective History Series ?
