BOOK SYNOPSIS

This Classic Library Edition is a comprehensive collection of 48 anatomical charts. A well-rounded collection of best-selling charts, it covers topics such as systems, structures, common diseases and disorders of the human body. Each chart is beautifully illustrated in full color and labeled with the most current terminology and accompanied by supporting text. A hidden pop-open easel displays each chart individually and spiral binding along the top allows for easy flipping from one page to the next.
